Taha Hameed

Fullstack Developer

Tahahameed1@gmail.com • 0334-4065557 • Gulshan-e-Ravi, Lahore

Profile

I have a diverse skill set and leadership experience with over 8 years of experience, including a tenure as a Team Lead. My expertise extends beyond coding, encompassing server management, code integration, and deployment on Linux servers. I have also implemented pipelines to streamline development processes, enhancing efficiency and productivity. I am passionate about staying current with emerging technologies and have learned Next.js, Python and Generative AI.
